### Description

---

For over 40 years, President Yachts has been producing high quality yachts up to 150' under their own name and as an OEM supplier. Notable customers include Krogen, Hood Yachts (Whisperjet, Hood 66 Expedition), Marlow, Offshore and many others brands in the US, Europe and Asia. President Yachts is home to 250 skilled craftsmen, engineers, designers and support staff. Their dedicated teamwork has produced over 1,100 yachts, exporting to markets all over the world. Even in a period of financial difficulty and extraordinary competition for most exporting boat builders, President has maintained continuous growth and quality improvement. Today, yachts being built by President are recognized by yachtsmen worldwide as a high quality product at an affordable price. Utilizing resident naval architects, designers and engineers, as well as the services of internationally well-known designers and engineers, they are constantly
